There is now a working doorbell right outside the kitchen doors. Please feel free to ring the bell for any assistance you may need. Please refrain from entering the kitchen without ringing the bell first this is for your safety.

If you are bringing guest(s) to any meal service, please be sure to sign up ahead of time. The dining room staff needs to know ahead of time so there can be enough seats set and enough staff to serve. If there is a late reservation, guests may have to wait to get seated so staff can set up for them. You are always welcome to call in your reservation as well.

The kitchen will take up to two days out of reservations. If your reservation is farther out than two days, you can sign up in the book. For any large parties, please call the kitchen.

Dining room staff have been instructed to move all walkers, chairs and electric chairs out of any walkways and crowded spots in the dining room. This is for staff safety and resident safety. Please make sure your walker is labeled with your first, last name and apartment number. Staff will bring your walker back to your when you are ready to go at any time.

Please remember if you are ordering off of our delicious bistro menu that all items are cooked to order and that there is a little bit of a wait depending on how many bistro specials the chef receives. The servers are trained to check throughout service to see if the bistro item is ready to bring it to you.

Nina Katz

I was born in Asheville, N.C to Howard and Elsie Orr. My older brother, Tom was born in Chicago. My father was a postal inspector who, during WWII, flew with President Roosevelt's mail from D.C to Hyde Park, NY, when the president was there. We lived in D.C, Parkersburg and Charleston, WV, Lead and Rapid City, SD and Bemidji, MN before moving to Minneapolis when I was a teen. I graduated from Minneapolis Edison High School and attended the U of M and St. Cloud State where I got a teaching degree. I married Ed Katz and we had a son, Curt and a daughter Mimi, Curt died of cardiomyopathy at age 24. Mimi is married to Dave Kopka and has two daughters, Morgan and Kylene (who is expecting her first son with husband Tyler Hammer in May). They bought my house in Brooklyn Park. Ed and I were both teachers so were able to travel in summer: all around the US, Mexico, and Canada and to Europe several times and to China and Thailand. We enjoyed camping. We had several dogs and a pet skunk that slept with Curt every night Ed died in July, 2017. We were married 58 years. I taught special education for District 287, much of the time with children with multiple disabilities. Loved those kids. After I retired, I volunteered at CEAP and at Tamarisk, and organization that provides companionship and caregiver respite to seriously ill people. I will be 80 years old next August.....WOW! How did that happen? The best thing is that I am going to be a great grandma!
